ACHIEVEMENT TESTS

Tests are required assessments that measure students on what they know and are able to do in mathematics, reading, science, social studies and writing. Students cannot effectively review or study for these tests. *However, a student having appropriate exercise, rest and attitude, can enhance their scores.* We would encourage students to be well rested and to have a good breakfast either at home or here at the junior high. Breakfast will be provided in the cafeteria this testing week at no charge and will consist of different items each day such as bagels, pop tarts, muffins, breakfast bars, French toast, juice and milk.

The tests will be administered to **both seventh and eighth grade students** April 28, 29, 30, May 1.

STOCK MARKET RISES

Mr. Evarts Algebra 1 class entered three teams in the Toledo Blade Stock Market contest. Each team had to create a hypothetical portfolio with \$40,000 by selecting four stocks. The students researched numerous stocks before deciding on which stocks to choose. One team, "B@!!@\$" went with Converted Organics, Deere Co, Costco, and First Solar. Another team "Wossfud" selected Southwest Airlines, Toyota, Brady Corporation, and Abercrombie and Fitch. The final team, "7\$PACE\$" selected Continental Airlines, Abercrombie and Fitch, Deere Co, and Bob Evans. Currently in the contest, "B@!!@\$" is in 6th place out of 104 teams. "Wossfud" is currently in 52nd place and "7\$PACE\$" is in 102nd place.
